SUMMARY

Highly motivated React.js developer with a passion for crafting user-centric web applications. Skilled in both the technical and visual aspects of development, ensuring pixel-perfect design and clean, performant code. A progressive thinker, I thrive in collaborative environments, driving projects from ideation to launch while prioritizing user experience and high-quality results.

EXPERIENCE

01/2023 - 06/2023

Remote

ReactJS developer
Neumtech
